## Doing What You Can

(Distribute tracts)

Often we focus on the tremendous size of a task. This focus will cause us to think it is impossible to accomplish the job. A little secret I learned many years ago is **“Don’t focus on what you can’t do, but focus on what you can do.”** By the time you get what you can do done, the rest of the job does not seem so terribly hard. The next thing you know ... the job is finished! We have **20,000 gospel tracts** to distribute this month. That is a lot of literature to get into people’s hands. **Do what you can do and before you know it, the job will be done!**
